

## **SBMOC MEETING MINUTES**

**October 6, 2018**

The meeting of the Southeastern British Motorcar Owners' Club was called to order by President Sam Maw. The attendance roster was passed and there were approx. 29 members in attendance.

Jerry Azzara our Treasurer was not able to attend so Sam gave a summary that the Treasurer's report had no significant changes.

A reminder was given about the Christmas Party being December 8<sup>th</sup> at Demetre's in Duncan and all reservations must be in and paid for by the November 3<sup>rd</sup> meeting. NO LATE RESERVATIONS WILL BE ACCEPTED. The restaurant needs the number to be able to plan the space for the events they will have that evening. We will have a silent auction and everyone is asked to bring a basket/ gift donation for our silent auction. Remember this is a fund raiser for the club, so bring something that everyone will want to bid on. Please see the website for our on-line reservation and payment tool. Cash and checks will be accepted at the November 3<sup>rd</sup> meeting.

We welcomed a new member Jeff Shoal from Greer and Jeff is currently working on his TR6. We discussed places for local parts and The B Hive was mentioned for anything MG related. [1003 Old Stone Church Rd, Clemson, SC 29631](#) **Phone:** (864) 654-3404. [Gordon Strickland and B Hive seemed to have a good reputation with many club members.](#)

Dave Taylor is trying to develop a resource for our club car enthusiasts that can help members find or borrow items like specialty tools, workshop manuals, knowledge or available workspace. Dave passed around a list as he begins to develop this resource. If you have anything to share with a member, please see Dave to be included. Thanks for this effort Dave, this is a great opportunity for our members.

### **Past SBMOC Events:**

Noggin & Natter was held at Red Bowl last month. We had a pretty good turn out. Members of the club also had a drive to Cooley Farms, and had about a dozen wet drivers. All who survived and have fond memories of the exciting drive! Thankful that it wasn't the same time as the recent mudslides.
